# THEME

Graduation is a destination, but high school is the journey. Many people count down the days until they walk across the stage, but forget to stop and have fun on the way. The years of high school inspired the yearbook staff to make this book all about the journey, OURjourney. We also wanted to incorporate the personalities of Delphi's students. This book is for the students and all about the students. This book has interviews, and gets to know who walks the halls at Delphi Community High School. As you're flipping through these pages, you will learn more about your peers than you probably ever guessed. The pages in this book are simple, unlike the students. We wanted to keep the pages clean, as to not take away from the people in the book. The students at Delphi Community High School inspired this book, and showed their true colors.

“Life is a journey, not a destination”  
-Ralph Waldo Emerson

# GRADUATION

Graduation was the most anticipated event of the year. The seniors had been counting down the days since freshman year and now it was finally here. Everyone went and made sure their cap and gowns were perfect. The valedictorian had her speech edited, and was ready to address her class. The keynote speaker, Mayor Shane Evans, motivated students. It was finally time to receive the diplomas and walk across the stage. Afterwards the graduates moved their tassels to officially move from students to alumni. The hat toss sealed the afternoon, out by the flagpole.

# FOOTBALL

The Delphi High School football team was more than just a team, it was a family. Our football team just is not on the field, it is off of the field and turns into a family. From first downs to touchdowns, the team proved time and time again that they could not be defeated mentally. The Delphi Community High School football team ended the season 2-8. What a way to end the year!

1. Before throwing the ball, **Dylan Hart '17** and **Clint Rude '16** are posing for a picture.
2. While waiting for the ball to be snapped, **Adam Rider '18** waits patiently.
3. Facing off head to head **Jared Moudy '18** and **Garrett Clark '16** see who is the top dog.
4. As **Jacob Clouser '17** and **Garrett Clark '16** are paying attention to the coach, **TJ Nelson '17** goofs off.
5. As the touchdown is made **Garrett Clark '16** puts a huge smile on his face.
6. During practice, **Ben Lucas '18** goes low for the tackle.
7. Continuing to goof off, **TJ Nelson '17** tries showing off his muscles.
8. Going for the tackle, **Adam Keen '17** goes for the player.
9. The cheerleaders support their team by wearing their jerseys.
10. After making an amazing catch, **Tyron Watson '18** gets a drink.
11. Big bad quarterback **Weston Windell '17** throws the ball to score.
12. Getting ready for the next play, **Will Schwindler '17** looks at the ref.
13. Disappointed about a play, **Blake Carroll '19** stands in position to redeem himself.
14. Standing around waiting, **Preston Defries '17** is impatient.
15. As the ball comes **Jadon Kinzie '18** takes it from the opponents.
16. After receiving the ball **Clay Corbin '16** runs to score.
17. Running down the field with the ball goes **Seth Waters '19**.

# BAND

Delphi Community High School band students are always ready to play. The band always practiced hard to get us pumped up for the games. No matter what sport, football or basketball, the student section knew they could count on the band to help amplify the chants. Every instrument has a different sound and when the instruments combine they make a beautiful tune. The school really appreciated all the students hard work.

# BOYS SOCCER

"Kicking" it up a notch from last year, as the year came to an end the boys soccer team was 5-12. The boys put in blood, sweat, and tears to finish the season successfully. It wasn't about whether they got knocked down, it all depended on whether they were going to get back up and continue playing. By watching the team you could see their full commitment, hard work, and aggressiveness.

# GIRLS SOCCER

Delphi Girl's soccer was a hit! This season the new coaches made a point to push the players to their highest potential. This meant more running drills and two-a-day practices. Winning games wasn't their biggest worry though, playing their hardest and having fun as a team was more important. Every girl on the team has their own skill levels and talents on and off the field. By bringing them together they accomplished their goals, set new standards for themselves, and most of all they made memories that will last a lifetime.

# AGRICULTURE

1

Agricultural classes have helped students learn about the world of agriculture and the fundamentals that are required to help feed and build our world. Agriculture is not just farming; agriculture involves automotives, plant growth and development, animal care and classification, as well as the correct way to safely use and/or replace natural resources. These classes also have helped students discover a future career option. Our classes are so cool that they put the Ag in swag.

# VOLLEYBALL

After countless long practices and exciting games, the DCHS volleyball team was able to notice that their hard work, and persistence had all paid off. The girls effectively used teamwork, communication, and dedication throughout the year and bonded and worked together as a team to achieve their goals. A big event the girls and students look forward to every year is the Dig Pink game, which raised money for breast cancer research. This gives a chance for DCHS to give back to the community while having fun playing the exciting sport of volleyball.

# FRENCH

Delphi community High School's French class conjugated ,read, wrote and understood French. The students learned a lot from French class like understanding the language and the cities along with what they do there. Madame Tyner assigns the students interesting projects that you wouldn't normally do in other classes, like making food and learning more about the culture. This year they also did a fashion show! If they ever get a chance to go to France, they will be prepared.

# ENGLISH

English class was one of the few classes you could really express yourself in. You could take a piece of writing and make it your own, turning it into art. Being forced to think in unusual ways could sometimes be tricky, but eventually you got the hang of it and were in a whole new world. A simple pencil was the start of your future.

# WRESTLING

The Delphi Wrestling gang had one goal in mind, and that was to make it to the top. The boys worked hard through countless hours of conditioning and weight training to ensure they were in the best shape for the season. After winning some and losing others, the team gave it all they had every time they got on the mats. Many were successful, but two seniors in particular, Garrett Clark and Hunter Mote made it to the State Championship. Clark gave it his all and placed 8th in the state. Mote was determined to go all the way and finished with 2nd place. It was a great season, boys!

# PARNASSUS

The Parnassus staff for Delphi Community High School was determined to bring the students school news as soon as it happened. Between opinion pieces and feature articles, the staff never let the students down. Don't let all of their focus on the news be deceiving, this talented group knows how to have fun. They are the writers, creators, and producers of Webshow Wednesday, a highly-anticipated webshow starring students, staff, and special guests. Students and staff knew the Parnassus would always report on activities that was newsworthy and entertainment that was entertaining.

# CRIMINAL JUSTICE

Everyday there is a crime that took place somewhere. Criminal Justice is a class that prepares students who choose to go into the criminal justice field. Being prepared to perform an arrest to having to defend a person's court case, students learn what it takes to work for a criminal justice job. They got to experience real life scenarios that could occur while working in law enforcement. In Mr. Hatke's class, students got to learn what they would have to do on a day to day basis if they were in that profession.

# PE & APC

Anytime you walk by the gym, you will probably see students in gym running laps or doing an activity in the gym. Students learned ways on how to keep their body healthy by taking PE/APC. With constant running and weight lifting, students kept in shape. PE is when students try their hardest to achieve their goals and work together on activities. APC is when you work on your body strength.

# GIRLS TENNIS

The girl's tennis team fought with all their hearts and as much power that they could put behind their racquet. The lady Oracles used their fast reflexes and cunning moves to fight against some of the strongest tennis players in our region. The team may of had some tough moments but they all pulled together to fight for the team. They worked hard at practice and hard at the court to work towards their goal. They figured out that teamwork really does make the dream work.

# HEALTH OCCS.

Health Occupations has brought many lessons to the students of DCHS while also having fun with the elderly. Learning how to save lives of others, whether it be a minor injury to a life threatening disease, are some of the skills students have learned. The students of Delphi Community High School loved the experience this class brought to them. Throughout the year multiple memories were made and these pictures depict them.

# TRACK & FIELD

The Delphi High School Track Team gave their all in every event. When you most people think of track they think of sweaty runners but in reality that's not all it is. They don't just run; they run fast, jump high, and throw far. Nothing can stop them, not even the rain. In order for this group to be successful they had to put 100% of their time and effort into making themselves great. The Delphi Community Track and Field team made a point to prove themselves this season and they succeeded.

# SPRING MUSICAL

"Oh the thinks you can think" when you think about the DCHS drama department. The group preformed a fantastical, magical interpretation of Suessical the Musical for the 2016 Spring Play. The Musical brought our favorite Suess Characters, The Cat, JoJo, Horton, Gertrude McFuzz, and Lazy Mayzie, to life right before our eyes. The wacky characters transport us everywhere from The crazy Jungle of Nool to the invisible community of Whoville.

# EVERY 15 MINUTES

Every 15 minutes was an experience for the Seniors to the Sophomores. Starting in the morning students would get pulled out of class every 15 minutes until SRT, when we watched a stimulation of a drunk driving accident. After the program students felt a variety of emotions and had a different perspective on life. With help from the community, students got to experience a real life experience that will stay with them for a lifetime.

1. While her obituary is being read out loud, **Megan Doremus '17** listens to the whispers in her ear about being dead.
2. Before the name tags are given to the students, they were being prepared.
3. The memorial of students that had been taken out every 15 minutes by 2nd period.
4. **Jacob Clouser '17**, drunk driver, gets escorted to the police car.
5. **Abbie Napier '16** lays on the ground with blood squirting out of her wound.
6. Being pulled out of class by the Grim Reaper, **Kaleb Kinsler '17** stands up to go to the morgue.
7. The line of students killed every 15 minutes stand by the scene.
8. Before the demo, the students involved in the crash get a picture with one another.
9. Having an emotional impact from the stimulation, a few students watch in horror.
10. Doing a sobriety test, **Jacob Clouser '17** tries to walk in a straight line.
11. Being taken away in the ambulance, **Erika Carroll '16** gets treated for her injuries.
12. Showing up after the Grim Reaper, the police officers read aloud a student's obituary.
13. Overwhelmed by the scene, **Dean Hampton '16** gets his body identified by his parents.
14. After being pulled out of the demolished car, **Conner Spitznagle '16** waits for his parents to show up and identify his corpse.
15. Turning into the dead, **Derek Disinger '16** sits in the morgue.
16. The aftermath of the stimulation, the cars were left as a reminder to students to not drink and drive.

The 2015-16 Oracle Yearbook's 80th edition contains 213 pages. It was proudly created by 3 senior editors and 7 staff members. The yearbook's design came from the theme "OUR Journey at DCHS". The pages are simply designed as to not distract from the images and stories within them. The design of each page stands consistent.

The details of this book lie in the typography. The cover design uses 150 pt. Dancing Script OT font. All titles are typed in 75 pt. Kamika Display Caps font. Captions and copy are in 12 pt. Quicksand. Page numbers are typed in 14 pt. Komika Axis while image numbers are in 30 pt. Cabin font.

The book was created using Adobe CS5 InDesign, images were edited in PhotoShop and the octagonal design was created in Illustrator. All images were edited in CMYK and then saved as PDF files. Each page consists of 15-20 images.

The hard covers were printed by Pro-Bind, Inc. The soft cover was printed at DCHS by the print department along with the individual pages which were glued and cover wrapped by the Ricoh Pro C7100 color copier/printer. The covers were laser engraved with the DCHS Universal Laser System machine. and then heat pressed around the pages.

In all, the 2015-16 Oracle Yearbook was designed and created image by image, word by word, and page by page to become a piece of history and memories for all the students attending DCHS through the past year. It is the staff's hope that all that see and read this book will find lasting images of **OUR Journey**.
