RIGHT-OF-WAY

The Company shall not be required to furnish nor be held liable for failure to furnish service where for any reason it has been unable to secure or continue in use its public or private right-of-way over a direct route then deemed expedient by the Company.

INTERRUPTION OF SERVICE

If the service is interrupted otherwise than by negligence or wilful act of the subscriber, the only liability of the Company shall be to abate charges during the period such interruption continues, after forty-eight hours (48) written notice thereof to the Company.

Subscribers are responsible for all charges for messages originating from or reversed to their telephones.

DIRECTORY ERRORS

No liability whatsoever shall attach to or be assumed by the Company for any errors or omissions in the compiling, printing or distributing of its directories.

Classified Telephone Directory

The Classified Telephone Directory is published for the benefit and convenience of our subscribers. Each business subscriber is given one listing under one general classification without cost. Additional listings under other classifications may be obtained for a nominal charge. For Company accounting reasons only, such additional listings are identified in this section by a (•) shown at the left of the extra listing telephone number.

The Telephone Company assumes no responsibility or liability for errors or omissions occurring in the Classified Telephone Directory. Errors or omissions will be corrected in the next issue.
