RIGHT-OF-WAY

The Company shall not be required to furnish nor be held liable for failure to furnish service where for any reason it has been unable to secure or continue in use its public or private right-of-way over a direct route then deemed expedient by the Company.

INTERRUPTION OF SERVICE

If the service is interrupted otherwise than by negligence or wilful act of the subscriber, the only liability of the Company shall be to abate charges during the period such interruption continues, after forty-eight hours (48) written notice thereof to the Company.

Subscribers are responsible for all charges for messages originating from or reversed to their telephones.

DIRECTORY ERRORS

No liability whatsoever shall attach to or be assumed by the Company for any errors or omissions in the compiling, printing or distributing of its directories.

Classified Telephone Directory

The Classified Telephone Directory is published for the benefit and convenience of our subscribers. Each business subscriber is given one listing under one general classification without cost. Additional listings under other classifications may be obtained for a nominal charge. For Company accounting reasons only, such additional listings are identified in this section by a (•) shown at the left of the extra listing telephone number.

The Telephone Company assumes no responsibility or liability for errors or omissions occurring in the Classified Telephone Directory. Errors or omissions will be corrected in the next issue.

HANG UP GENTLY

Thoughtless slamming of the receiver may appear like an act of discourtesy to the person to whom you have been talking. You don't mean it, of course, but it may leave the wrong impression.

EASY TO FIND

Customers don't need telescopes. Your advertising in the Yellow Pages of this directory enables buyers to find you in a hurry. That's where they look when they need repair work or merchandise. Then they telephone their orders. It pays to advertise in the Yellow Pages.

A Book That Has EVERYTHING

Your telephone directory is a treasure-house of information. Its *yellow pages* contain the most complete, up-to-the-minute buying information in your locality. It is your guide to a thousand services, a thousand products. Whatever you want, from A to Z, you'll find it here. The *yellow pages* tell you where to buy.

Distance, once a barrier to spoken words, has lost its power to limit the human voice. Today words defy intervening miles, and two friends with an ocean or continent between them talk as if face to face. In thus extending the range of man's voice, the telephone performs a modern miracle. It is part of the miracle that this is done so swiftly, so easily and so cheaply.
