Government bureaucracy—a good thing? It can be. If you have an ancestor who fought for the United States in an armed military conflict, you may be able to find valuable information in the vast amount of military records generated by the U.S. government. In this issue three experts in the field of military research outline the key repositories for military records, explain what kind of records are available, and provide guidance on how to use military records for genealogical research.

Articles on pages 59, 63, and 69

Military Records in Federal and Indiana State Repositories

Researching Your Indiana Civil War Ancestors

Indiana Civil War Military Service Records

List of Voters in Deer Creek Township Carroll County, 1867, Part 1: A-K

Transcribed by Ruth Dorrell

The list below of voters from Deer Creek Township, Carroll County, Indiana, appeared on the first page of the *Delphi Times* on August 16, 1867. Part 2 of this article, L-Z, will appear in *THG: CONNECTIONS*, volume 46, issue 3.
